Dexter vs. Doakes. Showdown in the cabin!

Straight from the mind-blowing Season 2 finale of *Dexter*, this remarkable action figure 2-pack has Dexter facing off against his antagonistic co-worker, Sgt. James Doakes. With a themed diorama base and background, you can reenact that gripping scene in the cabin with Dexter's makeshift cage for the sergeant! Dexter is dressed in cloth scrubs and cloth apron, and comes with a handsaw and welder's mask. But Doakes is ready for action, too, with his holster and gun in tow. Each incredibly lifelike figure stands 7-inches in scale and features multiple points of articulation. The base measures 7-inches x 5-inches x 1-inch. Get this exciting 2-pack for yourself and let them settle the score at your place!

Coming in March 2010.

Second Doctor and Cyberman

San Diego Comic-Con 2009 Exclusives!

Here are the first and second Dr. Whos as part of the classic figure series. It was William Hartnell who brought the Doctor to our TV screens in 1963. The Dalek is from the "Dalek Invasion of Earth" storyline. This is the first appearance of the second Doctor, Patrick Troughton, in the series. The Cyberman is the version from the episode "The Tomb of the Cybermen." The show was originally shown in black and white, but the colors used on these limited edition, 6-inch tall figures are authenticated by many existing behind-the-scenes shots. Each 2-pack sold separately.
